PROPERTY OWNERS NAME _____

ADDRESS OF WORK _____

CONTRACTORS NAME _____

CONTACT NUMBER _____ LICENSE# _____ EX.DATE _____

TODAYS DATE _____ PROJECTED START DATE _____

PERMIT # _____

ONLY BETWEEN DECEMBER 1 – MARCH 31

(*FEE SCHEDULE ON BACK OF APPLICATION)

Twenty-four hours before work permitted herewith in commenced, the applicant shall notify Lehi City. Commencement of said work is understood to indicate that the applicant will comply with all instructions and regulations of Lehi City Corporation with respect to performance of said work, and that he will properly safeguard said work to prevent accident and shall hold Lehi City Corporation free and harmless from all damages arising out of any and all operations performed under this permit. (Please Contact Greg Allred, with the Water Department, 801-836-1042 before digging for water utilities.) **Work needs to commence within 10 days of permit approval, or you will be required to reapply.**

PATCHING OF THE ROADWAY NEEDS TO BE A PLOWABLE ASPHALT SURFACE ON THE SAME DAY THE TIE IN IS COMPLETE. NO ROAD PLATES WILL BE APPORVED DURING THESE MONTHS

_____. Initial. If additional time is required for asphaltting, please contact Rochelle Peterson 385-201-2429. All work must be inspected by Lehi City Street Inspector or his designee. If an inspector is requested for other than normal working hours, it will be billed to you at **\$50.00** per hour with a one hour minimum charge.

If the applicant fails to comply with Lehi City Corporation regulations or instructions pertinent to this permit, an authorized representative of Lehi City Corporation may verbally order the applicant to suspend the work until the violation is corrected. If the applicant fails or refuses to comply promptly, the Lehi City Representative may issue a written order stopping all or any part of the work. When satisfactory corrective action is taken, a start work order may be issued.

In the event applicant fails to properly perform necessary repair or replacement as required under this permit, applicant hereby surrenders all fees totaling on said permit to Lehi City Corporation without any further notice.

ROAD CLOSURE POLICY

In the event that a "Road Closure" is necessary, Lehi City requires that a **"Road Closure Plan"** be approved through the Public Works office located at 2538 N. 300 W Bldg. D. at least 24 hours prior to work starting. The plan needs to show use of appropriate closure and detour signs, as well as placement of proper road barriers. **Roads will not be allowed to remain closed if no work is going on.** Re-opening of roads on evenings and week-ends may also be required. This will allow passage of emergency vehicles and local traffic.
